### III ) Recital and Rehearsals

The end of every dance season is always concluded with our year-end recital. We will confirm our location shortly. All classes will participate in the recital EXCEPT for the Company Technique classes, as well as our Company Ballet classes on Saturday mornings. Recital is mandatory. This year our recital will be on Saturday, June 16, 2018. Combo classes and Triplet classes will be assigned to one performance, either the matinee or the evening. Once dancers are old enough to take single 45 min - hour long classes, they will be required to perform in both performances. \*Please keep in mind that if your dancer takes a combo class on top of a single acro class (apart from the Hip Hop-Acro combo class), your dancer will be required to do their acro dance in both shows even though their combo class only performs in one!

Along with recital, dancers will be required to attend our in-studio run thru (date to be announced at a later date). The in-studio run through is NOT a dress rehearsal. Students will wear regular dance clothes. Students will also be required to attend our full dress rehearsal the week of recital located at West Milford High School (date and time also TBA). This is a FULL DRESS REHEARSAL meaning that costumes, makeup, and hair are required to be done as practice for the real show! This is so that there are no surprises the day of the show so that everyone feels as prepared as they can!

#### IV ) Costumes

Costumes for recital will be ordered in December. They can run between \$85 - \$100 per costume. Triplets and Combo classes will order "2 in 1" costumes. This means that you will only order one costume that will come with a ballet tutu, a tap skirt, and a jazz piece(s) if participating! Costume deposit and Costume balance deadlines will be announced via email.

#### V ) Tuition, Missed Classes, and Makeups

Tuition is due on the FIRST CLASS OF EVERY MONTH. A strict \$10.00 late charge will be implemented on all payments received after the 10th of every month. Tuition remains the same each month, regardless of scheduled holidays or cancelled classes due to weather conditions. LDAD does not increase tuition for those months in which there are 5 weeks. Anyone with missed tuition payments of one month or more will not be allowed to participate in class until past dues are resolved. We do not give refunds for missed classes although we offer and encourage make up classes! Ask the desk for our recommended make up classes for your dancer!
